

2020 Virtual Scouting EXPO!

Instructions

Thank you for joining us for the 2020 Virtual Scouting EXPO! This event has many purposes, ask questions, learn about opportunities, grow your program, and grow your scouting community by meeting other scouts and scouters who share the same interests as you.

To start you will choose any of the Main Rooms to join. All rooms will show the Welcome message promptly at 6:00 pm.

After the Welcome message you will travel from room to room to learn more, ask questions, and meet people.

Should you hit every room? If you can, absolutely! You may be surprised at what is available to you just by listening to what these volunteers share. Each room has a SECRET PASSWORD for you to collect (see page 3 of this roadmap for more information).

How do I travel from room to room? Once you are in a main room, you will be able to Rename yourself to reflect where you want to travel. The Road Map below shows you what rooms are available. The **Bold Underlined** words are what you should enter in front of your name to show where you want to travel and we will send you an invite in the meeting to move to your requested room. You will need to accept the invitation to move. If you want to travel to a new Main Room, you will simply select Leave Meeting and then click on the link for the new Main Room in the Road Map below and enter the new password. You may travel back and forth between any main room you would like at any time. To rename yourself you will select the “...” that shows on your zoom picture and then select “rename”. An example of what your name should appear as is “Cub – Insert Name” or “USS – Insert Name”. If you are having any difficulties, please ask for help from any of the Main Room Hosts.
