FREEZE-O-REE

2013

This Freeze-o-ree is a contest against a standard. In this case, the standard is the First Aid requirements of Boy Scouts of America. The event's purpose is to provide a learning experience which will further hands on testing of the scouts' skill in the field of first aid and help strengthen those skills through immediate evaluation. Although this is a competition of a sort, the goal is that each and every participating Scout will come away from the event with more knowledge and understanding than he had before. Scenarios will be based on the current edition of the First Aid Merit Badge Book.

General Information

1. **Check-in:** Plan to arrive on Friday, **February 8th**, during the hours of 4:00-8:00 PM at Canyon Park Canyon Lake TX. Vehicle parking is close to campsites, but some carrying of gear will be required. (Vehicles cannot always drive right to campsites.) Whoever arrives from the unit first should be prepared to handle the unit's registration process, which includes receiving a campsite assignment. **DUE TO LIMITED PARKING SPACES PLEASE ASK MEMBERS OF YOU UNIT TO CAR POOL.**
2. **Registration:** The registration form included in this packet should be filled out in advance and presented at the headquarters when you check-in your troop. Having it completed prior to arrival will greatly reduce the time it takes to register. Every scout and adult who is camping overnight **MUST** be registered on the form.
3. **SPL/OA rep or Unit Leader Meeting:** There will be an information meeting at 9:00PM on Friday evening at Freeze-o-ree Headquarters. The Unit SPL (or acting youth unit leader), OA representative and Scoutmaster (or acting adult unit leader) should attend. All units must be represented at this meeting. The final schedule of events, checkout procedure information, and other important information will be distributed at this meeting.
4. **Fees:** The fee is **\$10:00** for every Scout and Adult. There is a \$2 discount for each participant if you register by **December 6th, 2012**. You are encouraged to pre-register your entire unit.

If registering at the event, please bring a single troop check for the total amount owed if possible.

Please make checks out to Alamo Area Council

5. **Webelos :** If they have been invited by a particular troop those Webelos are permitted to join us at the Freeze-o-ree to observe competition at the Boy Scouts level . They will arrive no earlier than 12:00pm and will depart no later than 5:00pm and accompanied by at least one Webelos parent for each 4 Webelos. Please keep in mind that the Freeze-o-ree is geared mainly toward Boy Scouts. There are no specific activities aimed toward the Webelos Scouts.

6. **Visitors:** All visitors should check in at the Freeze-o-ree headquarters prior to visiting the Freeze-o-ree grounds. Parents, siblings, and supervised Cub scouts are invited to watch the events and the campfire on Saturday. Visitors should show up no later than 8:00 p.m. for the campfire. They will need to check in at headquarters to get details on steps they need to follow in order to leave after the campfire on Saturday. Adults must have current “**Youth Protection Training**”
7. **Patches:** Each registered Scout and Scouter will receive a souvenir patch.
8. **Tour Plans:** A completed tour plan for each unit must be processed through the Scout Office prior to the Freeze-o-ree and a copy turned in at check in.
9. **Medical Records:** Each troop should bring their health and medical record forms for all Scouts that are attending the Freeze-o-ree. If your troop will have trained medical professionals (doctors, paramedics, first responders, etc.), please inform us at check-in.
10. **Uniforms:** Full Scout uniforms are to be worn at general assemblies, campfire and chapel.
11. **Cooking:** Wood, Charcoal, and compressed gas may be used in accordance with B.S.A. policy. Scoutmasters are responsible for storage and safety of fuel in the campsite area.
** Subject to change see “**FIRE**”
12. **Fires:** Due to the possibility of a fire ban and/or getting Park Ranger approval for types of fires and location will be announced closer to event
13. **Water:** Water spigots will be available for our water. Bring water jugs and remember to conserve.
14. **Garbage:** A dumpster is located next the restrooms
15. **Forbidden Items** As with any Scout outing, and for reasons of courtesy and safety, these items are forbidden from the Freeze-o-ree

Radios	Guns and Ammunition
Fireworks	Sheath Knives
CD/MP3 Players	Sling Shots
Bows and Arrows	Electronic Games
Water Balloons	Smart Phones

16. **Menu and Duty Roster:** Each patrol should have its menu and duty roster posted.. These should be readable by anyone who may visit their site.
17. **Campsite Inspections:** See judging form in this booklet for criteria. Please plan on having an adult in camp to help identify patrol areas (staff will try to pre-assign times needed. Inspections will occur during Saturday’s activities period).
18. **Judging and Recognitions:** Points will be awarded for Station events, campsite inspections, and bonus participation activities. Awards will be presented at Saturday night campfire.

19. **Service Projects**: We are required by the park to perform a service project to gain a waiver of fees for camping. All troop/patrols are required to participate in a service project. Details of the time and focus of these service projects will be given at the Friday night leaders 'meeting by the Ranger.

20. **Security**: The gates will be locked and Security details have yet to be determined.

21. **Freeze-o-ree Staff**: The Freeze-o-ree staff will consist of at least two volunteers from each troop. Adult leaders and/or Scoutmaster-approved Order of the Arrow Scouts. Call James Ponder Freeze-o-ree Chairman, 210-452-0128, if you have Order of the Arrow members who would like to serve on staff. All Freeze-o-ree Staff member selection will take place **NLT November, 2012** in advance of the Freeze-o-ree.

22. **Judges** : All adult leaders from each troop should be prepared to help judge events. Additional assignments will be made at the Friday evening cracker barrel.

23. **Judging**: There will be station judges at each station with pre-established scoring criteria. Additionally, there will be a site judges whose decision on all points of difference between the station judge and patrol will be final. The site judge will base all decisions upon the latest editions of the Boy Scout Handbook and the First Aid Merit Badge Book.

24. **Buglers**: Any Scouts who can play taps, reveille, call to colors, etc. on their bugles are encouraged to bring their bugles and check in with the Freeze-o-ree staff on Friday evening.

25. **Order of the Arrow Gathering and Fellowship**: . The Order of the Arrow plans to include a Brotherhood Ceremony for eligible Arrow men. After the Brotherhood Ceremony, the OA will host a cracker barrel for chapter members at Freeze-o-ree Headquarters.

Two Rivers OA chapter will conduct unit OA election if coordinated in advance. All required paper work for the election must be on hand and accurate prior to an elections being conducted.

26. **Schedule**: During registration, each Patrol will be assigned a number and given a station schedule to follow throughout the day. At each station, the Patrol will be presented with a scenario that will require a complete demonstration of the appropriate first aid response. Patrols will be allowed a maximum of 20 minutes to demonstrate the necessary first aid for that scenario. Points will be awarded based on the completeness of the demonstration.

27. **Patrol**: The patrol will consist of a minimum of three scouts (the ideal patrol is 5-8), which is part of the troop's regular organization. The patrol leader is in charge at all times and will assign various responsibilities to the patrol members as they act on each problem. He speaks for the patrol at all times.

28. **Scout Spirit**:

- Show your colors! Each patrol should carry their flag with them and fly it proudly.
- Show your spirit! Scouts should use their patrol yell and cheer at every competition event.

Note: A boy made flag and a patrol cheer can add substantially to your scores. BE PREPARED!

29. **Uniform**: The Scout Uniform is the official uniform for all Scouts & leaders

- 30. 100% Participation Award:** Each patrol and each unit should strive to earn the 100% participation award at the Freeze-o-ree. For a patrol to earn this award, the patrol must compete in all patrol events (for its category of patrol) and enter a patrol flag in the flag contest. For a troop to earn the award every patrol in the unit must earn the award and the troop must participate in the campsite inspection.
- 31. Patrol Flag Contest:** Each patrol is encouraged to enter its flag in a competition to find the best patrol flag at the Freeze-o-ree. Every patrol which enters a flag will receive a bonus in the Best Overall Patrol competition. Although every flag will receive a bonus, flags that are constructed entirely by Scouts will receive the largest bonus, and flags which have obviously been hastily prepared at camp will receive the smallest bonus. Along with the flag, the Patrol Leader must turn in an entry form. Flags must be presented by patrol at the judging station between 9:00am and 3:00pm
- 32. Explanation of Scoring for Patrol Competition:** After the competition, each type of patrol at the Freeze-o-ree will be ranked, i.e., if 25 experienced Scout patrols are present, those patrols will be ranked 1st through 25th in each of the events. A patrol that does not compete in an event will be ranked five places lower than the last patrol's place in that event. The places will then be used as point values in determining places for the overall events. Thus, a patrol with the first, fourth, seventh, eighth, tenth, thirteenth, and twenty-fourth places in the individual competitions would score $1+4+7+8+10+13+24= 67$ points.

Every patrol which enters a Scout-made flag in the patrol flag contest will have ten points subtracted from its score; patrols which enter flags not made by Scouts will have five points subtracted from their score. Thus, if the patrol above entered a Scout made flag, their final score would be $67 - 10 = 57$ points. The patrols will then be ranked based on the total scores. Note that in this scoring system, the **lower the points, the better the score**. In case of a tie for first, second, or third place in the overall patrol competition, the winning patrol will be the patrol with the most first place scores in the events. If still tied, the number of second places will be used, then third places, etc. until the tie is broken. The patrol which wins the tie-breaker will be given the place and the other patrol will be given the next lower place.

- 33. Best Overall Unit:** (to be presented at round table)--The best overall unit award will be given to the best troop camping at the Freeze-o-ree, based on the results of the unit scores for (a) Patrol Events, (b) Campsite Inspection, (c.) Service Project participation, and (d.) Scout's Own Service participation. The best overall unit will be determined by averaging the rankings for each of the Patrol Events, Campsite Inspection, Service Project, and Scout's Own service with the following weights applied:

- Patrol ranking 40%
- Campsite inspection 30%
- Scout Own Service 20%
- Service Project 10%

In case of a tie for first, second, and third place, the tie will be broken by the unit score in patrol events. If a tie remains, the average number of first places among all patrols in each unit, then by second places, etc., will break the tie.

34. **Awards**: Several awards will be given to designate the placing of patrols and troops in the competition along with an event patch.
- Best campsite
 - Dutch Oven awards
 - And more.....
35. **First Aid Merit Badge**: Separate from the competition, individual Scouts are encouraged to work toward completion of the First Aid Merit Badge
36. **CPR**: There will be CPR instructors at the event to lead a training session prior to the announcement of awards and final closing.
37. **Spectators**: Adult leaders, nonparticipating Scouts, parents and friends of Scouting may follow their patrol from station to station **as long as they do not interfere with the competition**. Interference will disqualify unit from that station.
38. **Freeze-o-ree Activities**: Saturday will consist of inter-patrol competition events. Rules include:
- Who competes? Only a troop's regularly organized patrols. "Ringer" patrols made up for just the Freeze-o-ree are not in keeping with good Scout Spirit. Troops are encouraged to have older Scouts act as Troop Guides or volunteer for staff.
 - Leadership: Instructions will be presented to the patrol leader at the beginning of each event.
 - Competition Areas: Separate areas will be laid out for each of the events. When first registering at the Freeze-o-ree, patrols will be assigned a starting station for Saturday's activities and circulate through the events until they have completed all event stations.
39. **Skills and Knowledge** required to be successful at Freeze-o-ree: As in past years, activity events will utilize Scouting skills, teamwork, and an emphasis on the Patrol method. We will have 12 First Aid **Scenario Stations**; In addition to the station judges, there will also be a "victim" at each station that will allow the scouts to demonstrate their first aid knowledge. This pre-assigned person will be aware of the symptoms that need to be communicated to the patrol.
40. **Patrol Needs**: First Aid Kit equipped according to the attached list.

41. **Camp Departure:** Freeze-o-ree check-out procedures will be provided at Friday's SPL/OA rep/Unit Leader Meeting. Some units will be leaving on Saturday evening or at some other time before the official close of the Freeze-o-ree. Be sure that you inform **James Ponder**, Freeze-o-ree Chairman, before you depart. **All units are expected to follow the same guidelines of leaving their site clean, taking out their trash, and checking out with the proper Freeze-o-ree Staff before departure.** The Freeze-o-ree officially ends at the Final Freeze-o-ree Assembly on Sunday after the service project. All Units must be out of the Freeze-o-ree site by 12:30 p.m. Failure to comply with Freeze-o-ree rules and guidelines will disqualify troops from all competition.
42. **Scouts Own** "A SCOUT IS REVERENT". We will have a non-denominational Scout's Own Service for all Scouts and Leaders on Sunday morning (See Schedule). All Chaplain's aides need to meet directly after the opening ceremony to get directions for participation in the Scouts Own Service. We request everyone to attend this function as no other activities will be planned or allowed during this time. **NO VEHICLES WILL BE LOADED OR MOVED DURING THE SCOUT'S OWN SERVICE.**

The Patrol Flag

Take a good look at a successful patrol, and what do you see? Its patrol flag—always honored, jealously guarded, properly cared for. It goes wherever the fellows go, on every hike, every camping trip. It flies from the top of the cliff they scaled, from the bow of the lead canoe. It's their emblem, their calling card.

Criteria for Judging

There are 100 total points in the Patrol Flag Contest. Please review the criteria carefully. Judging standards and their consistency are important to the success of the contest and will ensure fairness in all levels of the patrol flag contest. Scoring is on specific achievements, not on general categories.

TOTAL 100 points

Originality. The flag should depict a theme or idea related to the Freeze-o-ree and to the patrol name on the flag. The patrol must be properly identified with a printed or designed name. (For example, for the Road Runner patrol, the flag would have a roadrunner (bird design.) The patrol members' names, initials, or signatures should be integrated into the design of the flag. Eight small devices could be attached to the flag with each member's name printed on a device. Make it unique and different. The troop number must be on the patrol flag. This is necessary for judging and will help youth from different areas to meet one another.

Workmanship. The flag should demonstrate workmanship and initiative in its construction and design. No commercially made flags will be considered for judging. Flags should be boy-made, and all members should have had a part in their construction and design. The construction should be uniform. Use of color and material that represent the patrol name, area, or locale are encouraged. The construction should be in harmony with the theme, and the flag staff compatible with the size and shape of the flag itself. Above all, the workmanship of the patrol flag should reflect that the youth were involved in its construction.

The patrol flag's size and shape should be such that the flag is pleasing to display and is easily carried. Each patrol is encouraged to carry its patrol flag throughout the freeze-o-ree and in the troop site. The patrol flag should always be displayed near the patrol area. The flag should be mobile and not too cumbersome to handle and carry around.
